SUMMARY

Passionate and results-driven full-stack web developer holding a web development certificate from the University of New Hampshire. Proficient in JavaScript, expertise in effective communication, collaborative prowess, problem-solving acumen, and analytical thinking combine to deliver innovative solutions. Demonstrating a keen aptitude for designing, constructing, and managing websites from inception to deployment, success thrives in dynamic team environments. Adaptable and committed, excellence shines in developing solutions that not only meet but exceed expectations in fast-paced and diverse settings.

TECHNICAL SKILLS

Softwares/Platforms: , CSS, HTML, SQL, NoSQL, GitHub, MongoDB, MySQL, Express, React, Node, Handlebars, jQuery, Bootstrap
